

Finishing your A-levels shortly? Why not consider the

HIGHER LEVEL APPRENTICESHIP IN ACCOUNTING

We have opportunities for candidates with excellent A-level results or equivalent to commence their career within Accountancy! The successful candidate will receive on the job training while studying a Higher Level Apprenticeship. They will have the opportunity to **learn and develop through our experienced team of mentors** and through **exposure to a wide range of clients.**

What is a Higher Level Apprenticeship

A Higher Level Apprenticeship (HLA) offers students the opportunity to gain quality training and a recognised higher level qualification while in paid employment. You can study a HLA Accounting Technician Course (Level 5) or a Higher Level Degree Apprenticeship in Accounting and Finance (Level 6).

KEY BENEFITS

IMMEDIATELY ENTER THE WORLD OF WORK

EARN A SALARY

ON-THE-JOB EXPERIENCE

APPLY THE SKILLS LEARNED IN THE CLASSROOM

MAKE INDUSTRY CONTACTS

HIGHER LEVEL APPRENTICESHIP IN CONJUNCTION WITH NI FE COLLEGES

The first step on your journey to a new and rewarding career as an Accounting Technician. Upon successful completion, you could continue your studies towards Chartered Status with Chartered Accountants Ireland (CAI).

OBTAIN A DEGREE QUALIFICATION (BSC ACCOUNTING & FINANCE HLA) IN CONJUNCTION WITH ULSTER UNIVERSITY

The course has been designed with industry leaders and is taught by professionals with specialist and global experience and links to key employers. Due to the exemptions available, you will also be a step ahead in your professional accountancy training!

We offer two accountancy training routes:
